

INFORMATION SESSION

Careers in the Construction Trades Industry

Interested in a career in the construction trades industry? Join HIRE360, CTA and community partners for an informational session about trades that are employed on CTA's Red and Purple Modernization mega capital construction project. Learn how you can get involved in pre-apprenticeship programs or union apprenticeship programs in the construction trade industry!

This session is for people new to construction and want to become more educated and involved in construction trades.

Wednesday, November 30, 2022

10:00 am - 1:00 pm

Malcolm X College

1900 W. Jackson
Chicago, IL 60612
